

Surfing the Menu 4 - New Zealand

a fabulous food surfari

Bender's (Ben O'Donoghue) fabulous food surfari continues...this time he heads to New Zealand where he catches up with his surf-mad Kiwi mate Mark Gardner. Like Bender, Mark's made it big overseas and now he's taking a break from preparing meals for the rich and famous to show you surfing, adventure, passion, spectacular locations and the culinary delights of his homeland.

New Zealand is a natural paradise - spectacular mountains frame lush green hills, grazed by the world's most contented cows, lambs and a thriving venison industry. Crystal clear rivers teem with trout and salmon. And on all sides, bountiful seas.

Enjoy green-lipped mussels, venison, lamb, trout, scallops - washed down with some of the world's best wines from Marlborough, Otago and Hawkes Bay.

That's the recipe for *Surfing the Menu 4 - New Zealand*. Fresh food ideas, breath-taking locations, entertaining characters, a spot of heli-surfing, mountain-gliding and aerobic flying plus the sweetest surf breaks in the country.
